

## Neighborhood Prayer Walking Guide

- **Ask** God to give you a sense of what He feels for the people in the neighborhood. Most of the time you'll just want to walk and "listen" to God.
- **Ask:** What would it look like if the Father's Kingdom existed in this place like it does in heaven?
- **Ask** God to provide opportunities for conversation and interaction with people while you're out walking around the neighborhood.
- **Stop and talk** to anyone you see while you're out walking. Not, "Hey, I'm prayer walking, can I pray with you?" More of a "Hey, how are you doing today?" kind of thing.
- **Pray** that the Spirit would make the Father known to the people that live there.
- **Look** for specific things you can pray for...(children playing, new neighbors that love Jesus to move into empty houses, etc.)
- **Ask** God for insight on how you can serve and love the people here in ways they can understand.
- **Pray** that God would give you People of Peace in the neighborhood.
- **Pray** for grace in everything you do as an MC in the neighborhood.
